BC-401F FitScan Travel Scale ***FULL Body Composition Monitor***

The BC-401F FitScan Travel Scale is the perfect tool for monitoring the effectiveness of any fitness or health program anywhere you go. This Full Body Composition Monitor includes a **hard travel case with purchase** and displays 10 body composition measurements. The extra-large LCD color display is easy-to-read read even in low light. The BC-401F FitScan Travel Scale can easily transfer your full body composition measurements to your personal smart device using Tanita's **FREE Healthy Edge mobile app**, since it is equipped with Bluetooth Wireless. Up to 4 users can record and review their results (each user must have own smart device). This travel scale is **FDA cleared** and **has our medically trusted Bioelectrical Impedance Analysis technology (BIA)**.
