

# ***HD-351***

## ***DIGITAL WEIGHT SCALE***

***Extra-high weight capacity,  
maximum 440 pounds***

***Extra-large, low-profile, thin  
platform***

***2-inch, 2 line extra-large,  
easy-to-read display***

***Shows current and previous  
weight for up to 5 users***

***Heavy duty design and  
construction***

Modern design, with a low-profile and over-sized platform. Extra-large 2.0", 2-line display that shows the current and previous weight reading for up to five users. This added benefit makes for a convenient reference for anyone wanting a quick analysis of weight gain/loss. Complimenting any environment with the heavy gauge steel construction assuring durability and many years of accurate measurements.
