PW-630U Wheelchair Scale

Tanita's PW-630U wheelchair scale is designed with the patient's needs in mind. The ultra-low platform makes it easy for health care providers and patients to get on the scale and be stable. The durable, yet portable unit allows you to bring the scale wherever your elderly or wheelchairbound patients require. It is built with Tanita standards, guaranteeing long lasting performance even in the most demanding environments.

Wireless options include ANT and WiFi

*The display stand is an optional accessory.
