TBF-310GS

TOTAL BODY COMPOSITION ANALYZER

For high-capacity, all-in-one **FDA cleared** body composition measurement, look to the TBF-310GS. The 600 lb capacity scale and oversized, low profile platform allows for safe weighing of the elderly and obese. It also features the same Goal Setter and “foot-to-foot” Bioelectrical Impedance Analysis technologies as our other body composition analyzers /scales.
