#### DIGITAL PHYSICIAN SCALE

Tanita's certified digital scales are perfect for those instances where absolute measurement of weight gain or loss is a necessity.

Approved as a **Class III NTEP** Certifiable Legal-for-Trade Scale, the WB-100 series is available in a weight capacity of 440 lb., and the WB-110A series is available in a weight capacity of 600 lb. Both scales feature an automatic body mass index (BMI) calculation, RS-232 output to capture patient data to an external device, and Electronic Medical Records (E.M.R.) capability.

The physician scales can be easily wall-mounted or placed on a counter top with the built-in desktop stand.

#### Features:
