## **WB-800Aplus**

### **DIGITAL SCALE WITH BMI FUNCTION**

The WB-800Aplus scale is approved as a **Class III NTEP Certifiable Legal for Trade Scale**, and has tamper-proof seals and does not lock-in weight which is perfect for those instances where absolute measurement of weight gain or loss is a necessity. This incredibly durable, yet portable, professional grade scale is perfect for any busy practice, gym or clinic. Features an **oversized low-profile platform** to accommodate a wide range of clients and patients with fast, accurate results. Separate jumbo LED display and movable platform makes this product perfect for those patients requiring a little more room, such as pregnant moms and larger patients. The RS-232 and USB outputs provide straight-forward digital data for EMR integration.
